Dear Mrs. Chapman,

The Brooks' family was from Norfolk Co. Will send you a few notes that were given me recently.

Am very sorry I cannot give you the names of my Etheridge grandparents.

As I told you I only got records for D.A.R. Have done a very little research myself. Will try and get more data about Etheridges for you.

I had record of Thomas Brooks  
whose father was George.  
at this point two George Brooks  
were found and the person  
looking up record could not  
find out which one was the  
father of Thomas.  
This Thomas Brooks is the one  
I sent on paper to you.

This is the data that was given  
me a short time ago.

About the W.P.A. workers, I

my plans ~~not~~ are to leave  
Richmond in the Spring  
and come down here <sup>to live</sup>.

Of course there are "Names"  
and "Colonists" in Norfolk  
and suppose in Portsmouth  
but it would take some  
little time to get acquainted.  
Therefore, I think it better  
to accept invitation to Col-  
onists in Richmond where  
I have my friends.

When I get back to Richmond

which will be next Monday  
Oct. 30<sup>th</sup> will try and find  
out something and let you  
know.

I thank you so much for  
your sympathy, the kind and  
loving words of our friends  
have helped us greatly at  
this time.

If I have not made myself  
clear and you would like  
to ask any questions, don't  
fail to address me  
at 1006 Park Ave., Richmond, Va.

Cordially yours  
Silia H. Johns.
